

Talking Research

Join us on Thursday, June 3rd, 2021 at 12:15-1:00 for an exchange of knowledge between clinicians, researchers and students.

03 June Tatiana Ogourtsova, PhD, OT

■ Telerehabilitation for children and youth with brain-based developmental disabilities and their families: Results of systematic review. PART II: Interventions for diagnostic groups: autism spectrum disorder, learning & speech disorders, intellectual disabilities, mixed.

■ Zoom link: http://bit.ly/3u8M6Ob_TatianaOgourtsova

Will be presented interventions for :

- Diagnostic groups** : Autism spectrum disorder, learning & speech disorders, intellectual disabilities, mixed.
- Disciplines** : Psychology, occupational therapy, Speech and Language therapy, Behavior consultant, Teachers and special educators, Clinical nurse specialist. We also think the different examples and types of modalities discussed will make this presentation relevant for other professionals who work with this population.

The presentation will be in English
