

Talking Research

Join us on Wednesday September 29th, 2021 at 12:15-1:00 for an exchange of knowledge between clinicians, researchers and students.

29 Sept Kevin Moncion, PT PhD candidate

Exercise-Based Stroke Rehabilitation: Clinical Considerations following the COVID-19 Pandemic.

Zoom link: <https://bit.ly/3hXDDKh> KevinMoncion

Kevin Moncion is a PT PhD candidate at McMaster University. His research is focused on strategies to promote the implementation of exercise rehabilitation to improve cardiovascular and cerebrovascular health in individuals post-stroke.

Presentation Broadcast: Boardroom for in-patient therapists and Salle des Miroirs for out-patient therapists.

The presentation will be in English
