

Talking Research

Join us on Wednesday September 8th, 2021 at 12:15-1:00 for an exchange of knowledge between clinicians, researchers and students.

08 Sept Anthony Teoli, pht, MSc (A), PhD student

Rehabilitation best practice recommendations for patients with knee OA.

Zoom link: <https://bit.ly/3gQbFj8-AnthonyTeoli>

Anthony Teoli is a physiotherapist at Action Sport Physio in Rosemere. He is currently pursuing his PhD in Rehabilitation Science at McGill University and teaches courses to physiotherapists on the assessment and management of knee osteoarthritis. He is also the founder and president of InfoPhysiotherapy, an educational website dedicated to providing quality, evidence-based continuing education to health care professionals around the world.

Description: Our understanding of the etiology and management of knee osteoarthritis is rapidly evolving. This presentation will provide recommendations for the management of this condition according to best practice guidelines.

Presentation Broadcast: TCC Treatment Room in Physio for in-patient therapists, Boardroom and Salle des Miroirs for out-patient therapists.
