

Talking Research

Join us on Wednesday November 10th, 2021 at 12:15-1:00 for an exchange of knowledge between clinicians, researchers and students.

10 Nov Josée Maltais, Social worker

Best rehabilitation practices for people with non-traumatic spinal cord injury seen for in-patient and out-patient rehabilitation at the JRH.

Zoom link: <https://bit.ly/3BybBMv-JoséeMaltais>

Josée Maltais, Professional Social Worker graduated from the University of Sherbrooke in 2002. Employee of the Jewish Rehabilitation Hospital of Laval since 2009 having practiced in the neurology program from 2015 to 2020. Today, specialist in clinical activities in the Trauma-Specialized program (PEDIP et PAdoC).

Description: Program development project for clients with a non-traumatic spinal cord injury in the neurology program by surveying the number of clients treated between 2015 and 2019 in the internal and external components, identifying the specific needs of this clientele and identifying the best practices or clinical tools in rehabilitation for this clientele.

Presentation Broadcast: Boardroom for in-patient and out-patient therapists.

The presentation will be in French
