

## SPOTLIGHT: Communication and rehabilitation

**Friday December 9, 2022**  
**12:15 pm to 12:45 pm (EST)**

The Centre for Interdisciplinary Research in Rehabilitation of Greater Montreal ([CRIR](#)) invites you to discover the inspiration and future steps of collaborative research highlighted in the video series "[The Faces of CRIR Research](#)"!

To celebrate **International Day of Persons with Disabilities** (December 3) and **Human Right's Day** (December 10) by attending the screening of the "**Communication and Rehabilitation**" video with us. You will hear the personal stories of individuals who inspire the research we do at the CRIR and the presentation will be followed by a short discussion with:

**[Ingrid Verduyckt, Ph.D.](#)**

Associate Professor, School of Speech-Language Therapy and Audiology, Université de Montréal

Researcher, CRIR–Institut universitaire sur la réadaptation en déficience physique de Montréal, CIUSSS du Centre-Sud-de-l'Île-de-Montréal

and

**Auriane Haegeman**  
Director of Service Development  
Parkinsons Quebec

\*Event in French with summary translations in English

**Zoom activity, registration required**
