

L'Université  
de Montréal  
et de votre  
carrière.

Deeply rooted in Montreal and dedicated to its international mission, Université de Montréal is one of Canada's Top 100 Employers. Like the city whose name it bears, it is effervescent and multicultural.

UdeM attracts over \$500 million in research funding every year, making it one of the three university research hubs in Canada. It also ranks among the best universities worldwide and among the five best French language universities.

Through the achievements of the members of its community, UdeM participates in building today's and tomorrow's world.

## **Assistant or Associate Professor of Physiotherapy**

**Physiotherapy Programs, School of Rehabilitation, Faculty of Medicine**

The Faculty of Medicine of the Université de Montréal (UdeM) invites applications for a tenure-track faculty position (assistant or associate professor) to join its dynamic team of the physiotherapy programs in the School of Rehabilitation.

The successful applicant will work with a team of scholars committed to the development of physiotherapy and rehabilitation sciences. We welcome candidates who demonstrate interests for the principal domains of intervention in physiotherapy and can contribute to the advancement of the profession of physiotherapy through their research. To learn more about the School of rehabilitation and our programs visit [our Website](#).

**As a professor, you will have the opportunity to contribute to the excellence of your School of rehabilitation...**

...through your teaching and your research activities. You will also ensure the visibility of your discipline in addition to actively participate in the operation of a renowned institution. As such, you will:

- > Teach at the undergraduate and graduate levels in physiotherapy and in rehabilitation sciences;
- > Teach and supervise graduate students in [rehabilitation sciences](#);
- > Pursue successful research and knowledge mobilization activities in a field of expertise linked to physiotherapy or rehabilitation;
- > Participate in the functioning and strategic development of physiotherapy programs;
- > Contribute to scientific and professional activities and the programs' academic committees and services.

**To succeed in this role, you must:**

- > Hold or be eligible for a permit from the Ordre professionnel de la physiothérapie du Québec as a physiotherapist;
- > Hold a doctorate (Ph.D.) in a field related to physiotherapy or in a relevant discipline.
- > Have experience as an independent researcher or postdoctoral research training.
- > Have university-level teaching experience or clinical practice experience in physiotherapy.
- > Have an excellent publication record considering your stage of career.
- > An adequate knowledge of the French written and spoken language **or** a strong commitment to mastering the proficiency level required, in accordance to [Université de Montréal's Language Policy](#). An institutional learning support program is offered to all professors wishing to learn French or improve their communication skills.

## How to submit your application

We invite you to submit a letter outlining your interests and career goals, your resume, a copy of your diplomas, copies of three (3) of your publications linked to the expertise being sought, and three letters of recommendation from professors or supervisors to :

### Contact person

### DIVERSITY AND INCLUSION

Université de Montréal is strongly committed to fostering **diversity and inclusion**. Through its *Equal Access Employment Program (EAEP)*, UdeM invites applications from women, Aboriginal people, visible and ethnic minorities, as well as persons with disabilities. We will –confidentially – adapt our recruitment mechanisms to the specific needs of people with disabilities who request it.

UdeM embraces a broad and inclusive definition of diversity that goes beyond applicable laws, and therefore encourages all qualified individuals to apply, regardless of their characteristics. However, in accordance with Canadian immigration requirements, priority will be given to Canadians and permanent residents.

In order to measure the impact of its equity, diversity and inclusion actions, UdeM is collecting data on applicants identifying themselves with one of the groups targeted by the Equal Employment Opportunity Act, namely women, Aboriginal people, visible minorities, ethnic minorities and people with limitations. To this end, we thank you for completing [this self-identification questionnaire](#). The information you provide through this form is **strictly confidential** and will be shared only with those responsible for the UdeM EAEP. If you wish, you may also indicate that you belong to one of the targeted groups in your cover letter, which will be reviewed by the selection committee and the assembly of peers.

Université de Montréal's application process allows all members of the Professor's Assembly to review the application files submitted. If you wish to keep your application confidential until the shortlist is established, please mention it in your application.
