de-l'Île-de-Montréal

Québec 

We are hiring **Occupational Therapists** for a research project

We are researching participation in community activities:
Can they improve motor and mental functioning?

→ Hiring OTs to deliver a participation-based
intervention (PREP) to participants aged 10-18 with
a mobility restriction

Interested? Contact us:

Principal Investigator :
Dana Anaby dana.anaby@mcgill.ca

Research Coordinator:
participation.environment2@gmail.com
